(a) FAS will be responsible for claims arising out of damage to or loss of a quantity of the donated commodities prior to the transfer of title to the commodities to the participant.

(b) If the participant has title to the donated commodities, and the value of the damaged or lost donated commodities is estimated to be \$20,000 or greater, the participant will be responsible for:

(1) Initiating a claim arising out of such damage or loss, including actions relating to collections pursuant to commercial insurance contracts; and

(2) Notifying FAS immediately and providing detailed information about the circumstances surrounding such damage or loss, the quantity of damaged or lost donated commodities, and the value of the damage or loss.

(c) If the participant has title to the donated commodities, and the value of the damaged or lost donated commodities is estimated to be less than \$20,000, the participant will be responsible for providing detailed information about the damage or loss in the next report required to be filed under § 1599.13(c)(1) or (2) and shall not be required to initiate a claim collection action.

(d)(1) The value of a claim for lost donated commodities shall be determined on the basis of the commodity acquisition, transportation, and related costs incurred by FAS with respect to such commodities.

(2) The value of a claim for damaged donated commodities shall be determined on the basis of the commodity acquisition, transportation, and related costs incurred by FAS with respect to such commodities, less any funds generated if such commodities are sold in accordance with § 1599.9(e)(1).

(e) If FAS determines that a participant is not exercising due diligence in the pursuit of a claim, FAS may require the participant to assign its rights to pursue the claim to FAS.

(f)(1) The participant may retain any funds obtained as a result of a claims collection action initiated by it in accordance with this section, or recovered pursuant to any insurance policy

or other similar form of indemnification, but such funds shall only be expended for purposes approved in advance by FAS.

(2) FAS will retain any funds obtained as a result of a claims collection action initiated by it under this section; provided, however, that if the participant paid for the freight or a portion thereof, FAS will use a portion of such funds to reimburse the participant for such expense on a prorated basis.

**§ 1599.11 Use of commodities and sale proceeds.**

(a) A participant must use the donated commodities in accordance with the agreement.

(b) A participant shall not permit the distribution, handling, or allocation of donated commodities on the basis of political affiliation, geographic location, or the ethnic, tribal or religious identity or affiliation of the potential consumers or beneficiaries.

(c) A participant shall not permit the distribution, handling, or allocation of donated commodities by the military forces or any government or insurgent group without the specific authorization of FAS.

(d) A participant may sell or barter donated commodities only if such sale or barter is provided for in the agreement or the participant is disposing of damaged commodities as specified in § 1599.9. The participant shall sell the donated commodities at a reasonable market price in the economy where the sale occurs. The participant shall use any sale proceeds, income, or goods or services derived from the sale or barter of the donated commodities only as provided in the agreement.

(e) The participant shall deposit all sale proceeds and income into a separate, interest-bearing account unless the exceptions in § 3019.22(k) of this title apply, the account is in a country where the laws or customs prohibit the payment of interest, or FAS determines that this requirement would constitute an undue burden.

(f) A participant may use sale proceeds or income to purchase real or personal property only if local law permits the participant to retain title to

(1) Owned or managed by a church or other organization engaged exclusively in religious pursuits; or

(2) Used in whole or in part for sectarian purposes, except that a participant may use sale proceeds or income to pay for repairs to or rehabilitation of a structure located on such real property to the extent necessary to avoid spoilage or loss of donated commodities, but only if such structure is not used in whole or in part for any religious or sectarian purposes while the donated commodities are stored in it. If such use is not specifically provided for in the agreement, such use may only occur after receipt of written approval from FAS.

(g) A participant shall endeavor to comply with §§3019.41 through 3019.43 of this title when procuring goods and services and when engaging in construction work to implement the agreement. The participant shall also establish procedures to prevent fraud. As provided for in the agreement, the participant shall enter into a written contract with each provider of goods, services or construction work that requires the provider to maintain adequate records to account for all donated commodities or funds or both provided to the provider by the participant and to submit periodic reports to the participant. The participant shall submit a copy of the signed contracts to FAS.

The participant shall enter into a written subagreement with the subrecipient, and provide a copy of such subagreement to FAS, in the manner set forth in the agreement, prior to the transfer of any donated commodities, sale proceeds, income or FAS-provided funds to the subrecipient. Such written subagreement shall require the subrecipient to pay to the participant the value of any donated commodities, sale proceeds,

income, or FAS-provided cash funds that are not used in accordance with the subagreement or are lost, damaged, or misused as a result of the subrecipient's failure to exercise reasonable care.

(b) If a participant demonstrates to FAS that it is not feasible to enter into a subagreement with a subrecipient, FAS may grant approval to proceed without a subagreement; provided, however, that the participant must obtain such approval from FAS prior to transferring any donated commodities, sale proceeds, income, or FAS-provided funds to the subrecipient.

(c) The participant shall monitor the actions of a subrecipient as necessary to ensure that donated commodities or funds provided to the subrecipient are used for authorized purposes in compliance with applicable laws and regulations and the agreement and that performance goals are achieved.
